

15.15-16.30 **Tips & Tricks in Allergy Practice 1:**
Moderator:
Gp.Capt. Sasawan Chinratapisit, MD, PhD,
Allergen Avoidance
HDM: Assoc.Prof. Anchalee Tungtrongchitr, MD, PhD,
 Siriraj Hospital Mahidol University
Pets & Grass: Assist.Prof. Yingwan Charoenying, MD,
 Srinakharinwirot University
Cockroach & Molds: Assist.Prof. Prapasri Kulalert, MD,
 Thammasart University

16.30-16.45 **Mini-break**
 16.45-18.00 **Evening Industry Symposium 2: supported by GSK**
Moderator: Assoc.Prof. Pantipa Chatchatee, MD,
From Lower to Upper: What to Do More to Achieve
the Asthma and Allergic Rhinitis controlled?
Prof. Mukda Vangveeravong, MD,
 Queen Sirikit National Institute of Child Health
Prof. Orapan Poachanukoon, MD,
 Thammasart University

March 29, 2019; Day 3

8.00-9.00 **Morning Symposium 3: supported by MSD**
Asthma and Sleep Disorder: More than an association
Prof. Orathai Piboonpakanun, MD,
 Siriraj Hospital Mahidol University
Assist.Prof. Teeradej Kuptanon, MD,
 Ramathibodi Hospital Mahidol University

Chairperson: Prof. Jarungchit Ngamphaiboon, MD

9.00-9.30 **Allergy Lecture 9: Food allergen in Skincare**
Products and The Development of Allergies
Assist.Prof. Araya Yuenyongwiwat, MD,
 Prince of Songkla University

9.30-10.00 **Allergy Lecture 10: Drug Allergy; Current understanding**
Assist.Prof. Ticha Rerkpattanapipat, MD,
 Ramathibodi Hospital Mahidol University

10.00-10.15 **Coffee break & Booths visit**

10.15-11.15 **Practical Allergy Symposium 1;**
Moderator: Assoc.Prof. Hiroshi Chantaphakul, MD,
Management of Anaphylaxis: A Systematic Review
Dara Mairiang, MD, Khon Kaen University
Maj. Wat Mitthamsiri, MD,
 Phramongkutklao College of Medicine

11.20-12.10 **Luncheon Industry Symposium 5: supported**
by Nestle
Science Based Evidence on Allergy Prevention
in Infancy and Childhood
Prof. Jarungchit Ngamphaiboon, MD,
 Chulalongkorn University

12.10-12.20 **Lunch served**
 12.20-13.10 **Luncheon Industry Symposium 6: supported by Galderma**
Update Knowledge and Innovative Management
in Atopic Dermatitis
Speaker:
Assoc.Prof. Pantipa Chatchatee, MD,
 Chulalongkorn University
Assist.Prof. Therdpong Tempark, MD,
 Chulalongkorn University

Chairperson: Wasu Kamchaisatian, MD
 13.10-13.50 **Allergy Lecture 10: Recent advances in**
understanding Peanut & Tree nut Allergy;
What We Really Know!
Prof. Pakit Vichyanond, MD,
 Samitivej Allergy Institute,
 Samitivej Thonburi Hospital

13.50-14.00 **Coffee break**
 14.00-15.00 **Tips and Tricks in Allergy Practice 2:**
Moderator: Assoc.Prof. Pantipa Chatchatee, MD,
Proactive Therapy and Emollient Therapy in
Atopic Dermatitis

Assist.Prof. Supenya Varothai, MD,
 Siriraj Hospital Mahidol University
Assist.Prof. Somboon Chansakulporn, MD,
 Srinakharinwirot University

15.00 **Closing & Lucky draw**

ใบลงทะเบียนประชุมวิชาการประจำปี 2562
 วันที่ 27-29 มีนาคม 2562

ชื่อ - สกุลเลข ว.
 โทรศัพท์มือถือ.....

Email.....

ค่าลงทะเบียน (หมดเขตลงทะเบียนก่อนวันที่ 15 มีนาคม 2562)

สมาชิกสมาคมฯ 2,500 บาท ไม่ใช่สมาชิกสมาคม 3,000 บาท

ลงทะเบียนรายวัน วันละ 1,200 บาท

การชำระเงินค่าลงทะเบียน

โอนเงินผ่านธนาคารไทยพาณิชย์ สาขาสาภาอากาศไทย (ออมทรัพย์)
 เลขที่บัญชี 045-5-81619-5

ชื่อบัญชี สมาคมโรคภูมิแพ้ โรคหืด และวิทยาภูมิคุ้มกันแห่งประเทศไทย

ส่งใบลงทะเบียนพร้อมหลักฐานการชำระเงิน

The 35th Annual Meeting of The Allergy, Asthma & Immunology Association of Thailand

“TIPS &
 TRICKS
 in Allergy
 & Immunology
 2019”

27-29 | March
 2019

CME
 22 Credit

World Ballroom,
 Floor 23, Centara Grand
 at CentralWorld Hotel,
 Bangkok

Room 1 Allergy

8.00-8.50 **Morning Symposium 1: supported by GSK Vaccine**
Moderator: Prof. Jarungchit Ngamphaiboon, MD,
Smart Management in Co-morbid Allergic Rhinitis
Assist.Prof. Chonnamet Techasaensiri, MD,
 Ramathibodi Hospital

8.50-9.00 **Opening**
Prof. Muthita Trakultivakorn, President of
 The Allergy, Asthma & Immunology Association
 of Thailand (AAIAT)

Chairperson: Pasuree Sangsupawanich, MD, PhD

9.00-9.30 **Plenary Lecture 1: Precision Medicine in Allergy & Immunology**
Prof. Vorasuk Shotelersuk, MD, Chulalongkorn University

Chairperson: Prof. Muthita Trakultivakorn, MD,

9.30-10.00 **Plenary Lecture 2: Endemic Infections in Primary Immune Deficiency - What we have learnt from Southeast Asia/Thailand**
Prof. Yu-Lung Lau, MD,
 The University of Hong Kong, Hong Kong

10.00-10.15 **Coffee break & Booths visit & Poster Walks**

10.15-10.30 **Graduation Ceremony for Graduated Allergy/Immunology Fellow and Master/PhD. in Immunology Year 2018**

Chairperson: Assoc.Prof. Chalera Direkwattanachai, MD

10.30-11.10 **Montri Tuchinda & Stitaya Sirisinha Lectureship No.12, Year 2019**
Together We Can... Proactive and Cooperative Care TO Improve Child Health
Prof. Mukda Vangveeravong, MD,
 Queen Sirikit National Institute of Child Health

11.10-11.30 **AAIAT Annual Business Meeting Year 2019**

11.30-11.40 **Lunch served**

11.40-12.30 **Luncheon Industry Symposium 1: supported by Abbott Nutrition**
Moderator: Assist.Prof. Mongkol Lao-Araya, MD,
What to look for in an Extensively Hydrolyzed Formula
Speaker: Assist.Prof. Carina Venter, PhD. RD
 University of Colorado Denver School of Medicine
 Children's Hospital Colorado, USA

12.30-13.20 **Luncheon Industry Symposium 2: supported by Mead Johnson Nutrition**
Moderator: Assist.Prof. Narissara Suratannon, MD,
How to prevent allergic march: the new perspective
Prof.Neil Shah, MD,
 Great Ormond Street HOsptialforChildren, London UK

Chairperson: Prof. Pakit Vichyanond, MD

13.20-14.00 **Allergy Guest Lecture: The Role of Nutrition in the Management for Patients with Food Allergy**
Assist.Prof. Carina Venter, PhD, RD,
 Medicine Children's Hospital Colorado, USA

Chairperson: Wasu Kamchaisatian, MD

14.00-14.30 **Allergy Lecture 1: The Many Faces of Primary Immunodeficiency Diseases**
Gun Pongsamart, MD,
 Queen Sirikit National Institute of Child Health

14.30-15.00 **Allergy Lecture 2: Up to date in Diagnosis for Primary Immunodeficiency Diseases**
Assist.Prof. Narissara Suratannon, MD,
 Chulalongkorn University

15.00-15.30 **Coffee break & Booths visit & Poster Walks**

15.30-16.30 **Controversies in Allergy : Antibiotics Prophylaxis v.s. Vaccination v.s. Immunoglobulin Therapy in Patients with Recurrent Infections**
Moderator: Prof. Orathai Piboonpokanun, MD,
Speakers:
Witchaya Sriruwachari, MD,
 Siriraj Hospital Mahidol University
Tassalapa Daengsuwan, MD,
 Queen Sirikit National Institute of Child Health

Commentator: Prof. Yu-Lung Lau, MD,
 The University of Hong Kong,

16.30-16.45 **Mini-break**

16.45-18.00 **Evening Industry Symposium 1: supported by CSL-Zuellig Pharma**
Moderator: Assoc.Prof. Pantipa Chatchatee, MD,
A New Era in Immunoglobulin Therapy Optimizing Treatment Outcomes - Early PID Diagnosis & Advances in Treatment
Prof. Yu-Lung Lau, MD, The University of Hong Kong
Unmet Need: PID Diagnosis, Awareness and IVIG Treatment Experiences by Case Sharing
Assist.Prof. Narissara Suratannon, MD,
 Chulalongkorn University

Room 2 Immunology

Chairperson: Assoc.Prof. Tanapat Palaga, PhD,
 13.20-14.00 **Immunology Research Forum: Abstracts Presentation**

Chairperson: Prof.Nattiya Hirankarn, MD, PhD

14.00-14.30 **Immunology Lecture 1: Therapeutic Antibody for Dengue**
Assoc.Prof. Pongrama Ramasoota, DVM,PhD
 Faculty of Tropical Medicine, Mahidol University

14.30-15.00 **Immunology Lecture 2: Dengue-specific memory CD8 T cells that have potential for protection against both Dengue and Zika virus infection**
Jaturong Sewatanon, MD, PhD,
 Siriraj Hospital, Mahidol University

Chairperson: Assoc.Prof. Tanapat Palaga, PhD,

15.00-15.30 **Coffee break & Booths visit & Poster Walks**

15.30-15.50 **Immunology Lecture 3: CAR-T cell Therapy: Challenges and potential strategies for solid tumors**
Supannikar Tawinwung, PhD, Faculty of
 Pharmaceutical Science, Chulalongkorn University

15.50-16.10 **Immunology Lecture 4: T cell-based immunotherapy in cholangiocarcinoma and breast cancer**
Mutita Junking, PhD,
 Siriraj Hospital, Mahidol University

16.10-16.30 **Immunology Lecture 5: Cellular therapy for hepatocellular carcinoma**
Thaweesak Chieochansin, PhD,
 Siriraj Hospital, Mahidol University

16.30-16.50 **Evaluating cross-reaction between Formosan termite (Coptotermes formosanus) proteins and cockroach allergens**
Christopher P. Mattison, Ph.D.
 Agricultural Research Service, USDA, New Orleans, USA

8.00-9.00 **Morning Symposium 2 : supported by A.Menarini**
Moderator Assoc.Prof. M.L.Kornkiat Snidvongs, MD, PhD,
Are all antihistamine equivalent for the treatment of allergic reaction?
Prof.Piotr Kuna ,MD, PhD.
 Medical University of Lodz,Poland

Chairperson: Assoc.Prof. Chalera Direkwattanachai, MD
 9.00-9.30 **Allergy Lecture 3: Combined Using of Omalizumab with Allergen Immunotherapy for Patients with Severe Asthma**

Chairperson: Prof. Muthita Trakultivakorn, MD,
 9.30-10.00 **Plenary Lecture 3: PM2.5 and The Effect on Health; What We Should Concern**
Prof. Kiat Ruxrunghtham, MD,
 Chulalongkorn University

10.00-10.20 **Coffee break & Booths visit**

Chairperson: Pasuree Sangsupawanich, MD, PhD,
 10.20-10.50 **Allergy Lecture 4: Obese Asthma Endotype in Childhood**
Sira Nanthapaisal, MD, PhD, Thammasat University

Chairperson: Prof. Orathai Piboonpokanun, MD,
 10.50-11.20 **Allergy Lecture 5: Chronic Rhinosinusitis Management: Systematic Reviews**
Assoc.Prof. M.L. Kornkiat Snidvongs, MD, PhD,
 Chulalongkorn University

11.20-11.50 **Allergy Lecture 6: Advances in Allergen-specific Immunotherapy**
Assist.Prof. Mongkol Lao-Araya, MD,
 Chiang Mai University

11.50-12.00 **Lunch served**

12.00-12.50 **Luncheon Industry Symposium 3: supported by DANONE**
Moderator: Prof. Jarungchit Ngamphaiboon, MD,
Shaping immunity in C-section babies by immune training through the gut

Assoc.Prof. Christophe Lay, PhD,
 National University of Singapore, Singapore

12.50-13.40 **Luncheon Industry Symposium 4: supported by Abbott**
Moderator: Assoc.Prof. Pongsakorn Tantilipikorn, MD, PhD,
Efficacy and Safety of HDM SLIT Tablet. Implications for Clinical Practice
Prof. Hendrik Nolte, MD, PhD, ALK-Abelló

Chairperson: Assoc.Prof. Pantipa Chatchatee, MD

13.45-14.15 **Allergy Lecture 7: Disruption in Allergy Diagnosis**
Pasuree Sangsupawanich, MD, PhD,
 Prince of Songkla University

14.15-14.45 **Allergy Lecture 8: Immunotherapy in Food Allergy**
Assoc.Prof. Punchama Pacharn, MD,
 Siriraj Hospital Mahidol University

14.45-15.15 **Coffee break & Booths visit**
